Kingdom.

In the southeast, a bombing attack set a big building afire during the afternoon. Nazi planes also throbbed over a northeastern town, but no bombs were dropped immediately.

British defenders tallied their 24th raiding plane brought down in a half-month of continuing, big scale forays.

Bomber Is Chased

At one point in the south a German bomber fled southward, pursued by three British Hurricane fighters. With swastikas plainly visible, it swooped to drop "whistling" bombs, then circle and dropped more. A column of smoke rose where the bombs fell.

In the southeastern raid one bomb fell in a garden, smashing the front of a house. Two other bombs fell in an adjoining roadway and more fell in the open country and in the sea

over the ocean. German planes spanned south coast defenses this morning and dropped bombs at several points, following up a night assault which killed 12 persons and injured 123, officials said. This was the greatest casualty list of German raids thus far on British soil.

Indicating the persistence of the Germans attacking from the south, a joint air ministry-home security ministry communique, issued shortly

after noon, said anti-aircraft de-fenses were still in action. The noon communique said

simply: "Several enemy aircraft crossed the south coast this morning and have dropped bombs at a number of points. Anti-aircraft defenses are a in action."

The air ministry announced last night that Royal Air Force planes had made another and heavy attack on the 26,000-ton German battleship Scharnhorst at Kiel harbor in Germany. The British claimed to have damaged the ship on two previous occasions.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, head-aches and dizzness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don's wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

DOING IT THE EASY WAY

Success of the Willkie nomination drive on the sixth ballot of an unbossed convention is having the same impact on political strategy as collapse of the Maginot line-and for the same reason.

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

LEETONIA GAINS SEVENTH VICTORY IN CLASS A

MARTIN TIRES **ALLOW 15 RUNS** IN ONE FRAME

First - Inning Spree Wins For Leetonia Club In Class A

It took only one big inning for the Lectonia Merchants to turn back the Martin Tires on one of two Class A softball games at Centennial park Tuesday evening.

The Merchants, combining timely hits with their opponents errors, scored all of their runs in the first inning as they flattened the Tires, 15 to 2, for their seventh win against one defeat.

The victory kept the Leetonia club in second place in the Class A race, close behind the National Sanitary which leads the league with six straight wins.

Tires Settle Down

Martin's booted the ball around to the tune of six errors in allowing the Merchants' wild scoring spree in the first inning. The Tires settled down after the first frame, blanking Lectonia throughout the remainder of the game, but the damage had already been done.

Pitcher Kenny Bruderly of Lee-tonia shut out Martin's for six innings before the Tires got to him for two runs in the seventh. Bruderly gave up seven hits in going the distance for the Merchants.

Johnny McQuiston pitching for Martin's for the second time in as

many days, allowed 12 hits. The Salem Eagles brought their season's record up to the even .500 mark in the other Class A game, spanking Roberts Men's Shop, 7 to for their fourth win in eight

The Eagles started off with four runs in the first inning and added two in the third and one in the fourth, Roberts, held to three hits by Pitcher Ralph Gregg of the Eagles, scored their lone run in the third inning.

Y. P. C. C. Wins

The Young People's Catholic Club continued unbeaten in the Church league's second round race by walloping the Christians, 24 to 4. The Y. P. C. C. scored freely on a 20-hit

A three-run rally in the seventh inning gave St. Paul's Youth Club a 3-to-1 victory over the Baptists in the other Church league game. Jackson's home run with two men on turned the trick for the St. Paul team

Cleveland Mound Ace Out To Stop St. Louis Advance

CLEVELAND, July 3. - The Cleveland Indians moped today with a bad case of St. Louis blues. The American league ego deflaters—Fred Haney's Browns—toppled the Tribe from the first place by slapping a 5 to 3 defeat on the Redskins yesterday.

It was the second time this season the Browns routed a league leader. First it was the Boston Red Sox. But the Tribe's manager, Oscar Vitt, decided to lose no further ground and nominated Bob Feller for the job of turning back St. Louis in the final game of their series today.

The speedballer seeks his 13th victory. Southpaw Emil Bildilli drew the assignment for St. Louis. The Indians hit all right yester-day, but not when it counted. They collected 13 safe blows off Vernon Kennedy while the Browns reached three Indian hurlers for 10. But among the 10 were three homers which counted for all the Browns' runs, and the Indians had 12 men left on bases. Kennedy won his own game with a homer off Nate Andrews with Johnny Berardino on

Singles by Beau Bell, Ben Chapman and Ray Mack gave Cleveland Maggio accounts first run in the fourth. Mack's York's 14 hits single, a walk and Lou Boudreau's double produced the second in the sixth, and in the eighth, with the bases filled, the Tribe scored only one run - on Roy Weatherly's in-
